

Notice of a Special General Meeting

An SGM will be held at the Ulley Regatta on 15 October 2011 either between or immediately after racing. The actual time will be announced at the briefing. Will all members please make every effort to attend.

There is only one item to be voted on but we would also like to hear peoples' views on the committee's plans for 2012.

AGENDA

Proposal:

That the Membership and Financial year should be changed to start on 1st September each year.

This would bring things in line with the academic year and allow the Annual General Meeting to be held in October, which is a convenient time to review the current season and consider plans for the next year.

Proposer: John Dowd

Seconded: William Redman
